Date: March 15, 1996

As you are all aware, our Internet connectivity will be inaugurated tomorrow morning. The inaugural function will be held at MDC Conference Hall.
I request each and every one of you to make it convenient to attend the function and grace the occasion. The function will begin at 8:59 AM in MDC Conference Hall. Mr. R. Basu, Secretary DOE, has kindly agreed to inaugurate.
The inauguration will be followed by a full day workshop exclusively for the faculty on how to access the Internet facilities from our PCs and make its full use for our academic/research activities.

I am sure we will be meeting on the CC terrace today at 5:29PM. (Please see my previous note on fnb on the terrace party.) I can share more details with you there.
We have prepared a handbook on the Internet for those who have sent emails indicating that they will be attending the workshop. (Tomorrow's Reading Material, session by session! At IIMA, we don't need to overstress the importance of the reading material!!)
Please collect this handbook when you come for the terrace party. (Those who can't make it to the terrace party may please contact Rita[1] around 5:15 for collecting this handbook.)

Thanks.
